2.) I am an individual associated with The University of Texas at Austin

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

I am a PhD student studying securities enforcement. I am working on a research project examining interagency collaboration in securities enforcement. I will use PACER to match criminal cases brought by the DOJ with related civil SEC cases. I have a dataset of about 800 SEC cases where the SEC thanks the DOJ for its help. I will search the defendants from these 800 cases for related criminal cases in the Federal District courts or the circuit courts of appeal (not the Federal circuit since it doesn't do criminal cases). I plan to review the criminal complaints filed by the DOJ (and/or their appeals) for these defendant on PACER to determine if the criminal case is for the same misconduct as the SEC civil case. This information will be used for scholarly research and not redistribution. I request 2 years of access because the academic review process typically takes around this long and a reviewer may ask for additional information requiring me to review the information again.

4.) In support of this application, I affirm the following:

- a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.
- b) That the exemption will be for a definitive period of time: 2 years is requested
- c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.
- d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement

- ☒ may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
